

— THE WORLD'S MOST ELIGIBLE BACHELOR DESERVES ENTERPRISE SOFTWARE

One man. Every city. Zero forgotten birthdays.

Robert has a lot of people to keep up with — and a suspiciously good track record.

Robert Force is the CRM that makes sure no name, no birthday, and no half-promised dinner ever slips through the cracks again. Charm, now with a backend.

EVERYTHING ROBERT NEEDS, IN ONE PLACE

Six ways to never drop the ball again

360° Sweetheart View

Every name, nickname, birthday and how you met — one tap away. Never open with “hey you” again.

Catch-Up Radar™

The moment you’ve gone quiet, Robert Force pings you. “You never text first” is now scientifically impossible.

The Date Pipeline

Drag every rendezvous from “Idea” to “It happened.” Three time zones, zero double-bookings.

Birthday Early-Warning

Sixty days’ notice on every birthday. Show up with the right gift and an unearned reputation for thoughtfulness.

Circles Intelligence

The Bangkok crew, the dive buddies, the cooking class. Know exactly who knows whom — before it gets awkward.

The Favour Ledger

Who owes whom a coffee, a ride, a rain-check. Balanced books. Balanced karma. Everybody wins.
